TILES TO CREATE A LEGACY

New Punches For New Taste

Aida*Ceram*

Trust and guarantees. At Aidaceram we are aware of the importance of these two terms for every customer, so we work to offer a customized service and undeniable product quality.

The high technical qualities of technical porcelain reinforce this idea of achieving a resistant and durable material to reach success in any project. Thanks to its features, guarantees floor and wall tiles for both indoors and outdoors with high resistance to extreme temperatures, spaces with high traffic or movement of loads, among others.

with our punches

design your space

Accuracy and perfection are two of the premises with which Aidaceram manufactures technical porcelain to ensure the possibility of modulating the pieces. These must have identical dimensions, thickness, right angled sides, and flatness in order to achieve regular and uniform surfaces. In a ddition, the company offers a plethora of finishes and textures that can be used individually or together, thus adapting to all types of spaces.
