AESTHETICS AND LARGE FORMATS.

The 100x100 format emerges as one of the trends of the most modern spaces and as one of the great innovations of last decade, allowing changes from conception to design and aesthetics in various types of environments.

Large formats improve the aesthetic side, since the use of large pieces helps in the construction of a contemporary environment.

They are durable and resistant due to its size, since the number of pieces to be applied in spaces decreases which translates into a significant environmental savings. 100x100 is the format that will surprise you!

TECHNICAL INFORMATION

100X100
collections

Tile Class	Porcelain polishing with low water absorption $Bla \leq 0.5$
Abransio Resistance	Class 2
Water Absorption	$Bla \leq 0.5$
Bending Strength	$36 \frac{N}{mm^2} \leq$
Stain Resistance	Class 3
Thickness	11 mm
Kind of Tile	Glazed floor and wall
Indication	Indoor & Outdoor Resistant to frost and heat
Effect	Polishe - Matt - Sugar

Tile class	Porcelain Nano Polish
Abrasion Resistance	Class 2
Water Absorption	$Bla \leq 0.5$
Bending strength	$40 \frac{N}{mm^2} \leq$
Stain resistance	Class 3
Thichness	11 mm $\pm$ 0.5
Kind Of Tile	Glazed floor and wall
Indications	Indoor & Outdoor Resistant to frost and heat
Effect	Nano Polish Matt (Hard-Soft-Satin) - Sugar
Size	60 x 60 , 60 x 80 , 120 x 80 , 100 x 100 , 160 x 100
weight	100 x 100 $\longrightarrow$ 16.800 Kg 60 x 120 $\longrightarrow$ 16.700 Kg
